

# Veronika Ševčenko

SOFTWARE DEVELOPER

## Profile

I'm an enthusiastic, responsible, and hard-working IT person. Working on different projects helped me adapt to the changes quickly and made me a mature team worker. I can work well both in a team environment as well as using my initiative. I can work well under pressure and adhere to strict deadlines. Currently, I am working and developing my skills at "UNECOS SOLUTIONS". My main tools for everyday tasks are (C#, .NET, Azure DevOps, Git, CSS, SCSS, HTML, JavaScript, jQuery, Entity Framework, and SignalR).

## Employment History

### Full Stack Developer , UNECOS SOLUTIONS, Riga

MAY 2022 – PRESENT

Daily, I support IT personnel in designing, developing, analyzing, testing, debugging, and executing C# programs for windows desktop and web-based applications. I have the experience to develop desktop and mobile solutions using HTML, CSS, JavaScript, web services, Visual Studio, design and architectural patterns, and window services.

Working closely with my team to improve the quality of the product and support my team whenever I can. Also share ideas for better improvements. We often have team-building events to build our team even stronger and better.
